Dear Mr. Bryan,

I am writing to apply for the position of Preschool Teacher at Little Explorers Preschool. With my strong background in early childhood education and experience working with young children, I believe I am a great candidate for the job.

I am a trained Early Childhood Educator and have been working in this field for the past four years. During this time, I have developed a passion for teaching young children and helping them develop key skills and reach their full potential. My biggest achievements include creating an innovative teaching program which was implemented across two preschools and having 100% of the students I taught last year pass their Kindergarten Readiness assessment.

My best qualities are my creativity, enthusiasm, patience, and resilience. I am very creative when it comes to developing learning activities and curriculums that stimulate students' interest and help them reach their goals.

I bring a range of skills to the position including communication, problem-solving, classroom management, and lesson planning. These skills have all been honed during my time as an Early Childhood Educator and allow me to effectively teach young children while providing them with a safe and nurturing environment.

I am confident that my experience, qualifications, qualities and skill-set make me an ideal candidate for the position of Preschool Teacher at Little Explorers Preschool. Please do not hesitate to contact me if you would like any additional information or would like to arrange an interview.

Thank you for your consideration.

Sincerely,

Mary Brown
