Junior Architect

PROFESSIONAL SUMMARY

Enthusiastic Junior Architect with a passion for innovative design and a solid foundation in architectural principles. Eager to contribute to dynamic architectural projects and develop my skills in a collaborative environment.

EXPERIENCE

Architectural Intern

May 2022 - August 2022

- Collaborated with senior architects on various residential and commercial projects.
- Assisted in the development of architectural designs and preparation of construction documents.
- Conducted site visits and participated in client meetings to understand project requirements.

ACADEMIC PROJECTS

Sustainability Housing Complex | Spring 2023

- Led a team on creating a design project with eco-friendly materials and energy-efficient solutions.
- Prepared detailed drawings and 3D models for presentation to faculty and peers.

Community Center Renovation | Fall 2022

- Contributed to the renovation design of a community center, focusing on accessibility and inclusivity.
- Collaborated with team members to develop design concepts and produced presentation materials.
