RUBY NEAL

PRODUCT MANAGER

PROFESSIONAL SUMMARY

Dynamic and results-oriented Product Manager with 5 years of experience in leading cross-functional teams to deliver innovative software solutions. Skilled in product development lifecycle management, market research, and strategic planning. Adept at translating customer needs into actionable product requirements.

EXPERIENCE

- June 2021 - Now

Product Manager

Ontosoft / United States, Denver, CO

- Conduct research to identify market trends and customer needs, informing product strategy and roadmap.
- Collaborate with cross-functional teams including engineering, design, and marketing to define product requirements and prioritize feature development.
- Utilized agile methodologies to drive product development and ensure timely delivery of high-quality releases.
- Analyze product metrics and user feedback to iterate on product features and optimize user experience.

- January 2019 - April 2021

Assistant Product Manager

Safesota / United States, Aurora, CO

- Assisted in the development and launch of two software products, contributing to a 20% increase in market share.
- Supported product roadmap planning and prioritization by synthesizing market insights and stakeholder feedback.
- Collaborated with engineering and design teams to translate product requirements into user stories and acceptance criteria.
- Assisted in the creation of product documentation, including user guides and release notes.
