EDUCATION

2019 - 2022

Associate of Applied Science

Tulsa Community College, Tulsa, OK

PROFESSIONAL SUMMARY

Dedicated and detail-oriented Hospital Pharmacy Technician with 4 years of experience in providing comprehensive support to healthcare teams in hospital pharmacy settings. Proficient in medication preparation, inventory management, and patient interaction.

EXPERIENCE

Hospital Pharmacy Technician

2022 - Now

Tulsa Medical Center, Tulsa, OK

- Prepare and dispense medications accurately and efficiently, adhering to hospital protocols and safety standards.
- Process medication orders, including reviewing prescriptions for completeness, accuracy, and appropriateness.
- Manage pharmacy inventory, including ordering, stocking, and rotating medications to ensure availability and prevent shortages.
- Perform medication compounding and sterile product preparation under the supervision of a pharmacist.

Pharmacy Technician Intern

2020 - 2022

Tulsa Pharmacy, Tulsa, OK

- Assisted pharmacists in medication dispensing, prescription processing, and patient counseling activities.
- Supported pharmacy operations by managing inventory, organizing medication storage areas, and performing routine maintenance tasks.
- Gained hands-on experience in compounding non-sterile and sterile medications.
- Provided excellent customer service by addressing patient inquiries, resolving medication-related issues, and processing insurance claims.
