Seasoned Certified Scrum Master with 8 years of experience in leading Agile transformations and delivering high-impact software solutions. Proven track record of successfully implementing new methodologies, coaching teams, and collaborating with stakeholders to deliver projects on time and within budget.

## EXPERIENCE

---

### **Scrum Master, Innovative Solutions, Indianapolis, IN**

2019 - Now

- Lead a team of 12 software developers through Agile transformations, resulting in a 25% improvement in productivity and a 30% reduction in time to market for key products.
- Facilitate daily stand-ups, sprint planning, sprint reviews, and retrospectives for two teams, ensuring alignment with project goals and stakeholder expectations.
- Implement metrics using JIRA and Confluence, resulting in improved visibility into team performance and better decision-making.
- Coach and mentor team members on Agile practices, fostering a culture of collaboration and continuous improvement.

### **Scrum Master, Tech Solutions Inc., Indianapolis, IN**

2016 - 2019

- Managed multiple Agile projects concurrently, ranging from small enhancements to large-scale system implementations.
- Introduced estimation techniques and led backlog grooming sessions, improving sprint planning accuracy by 20%.
- Implemented Kanban methodology for a support team, reducing response times by 40% and increasing customer satisfaction by 25%.
