## PACKAGE HANDLER

### PROFESSIONAL SUMMARY

Dedicated and physically fit package handler with experience working in high-volume warehouse environments. Skilled in using scanning systems, forklifts, and pallet jacks for efficient package handling. Looking to continue delivering top-notch service and efficiency in logistics.

### EXPERIENCE

- August 2021 - Now

#### Package Handler

UPS Worldport / Louisville, KY

- Load and unload packages from trucks in a high-volume distribution center.
- Scan packages using handheld barcode scanners to track inventory accurately.
- Sort packages by delivery route, optimizing delivery schedules for drivers.
- Consistently meet and exceed daily package handling quotas through efficient workflows.

- July 2019 - July 2021

#### Warehouse Worker

DHL Express / Lexington, KY

- Assisted in receiving, inspecting, and storing incoming shipments.
- Prepared orders by picking, packing, and labeling packages for dispatch.
- Operated forklifts to move heavy pallets, ensuring timely order fulfillment.
- Maintained a clean and safe work environment, adhering to OSHA standards.

### VOLUNTEER WORK

- June 2021 - Now / Habitat for Humanity, Louisville, KY

#### Volunteer Laborer

- Assist in building homes for families in need, contributing over 50 volunteer hours.
- Work collaboratively with other volunteers to complete construction tasks safely and on time.
