EMILY ROBERTS

REGISTERED BEHAVIOR TECHNICIAN

PROFESSIONAL SUMMARY

Motivated and compassionate individual seeking to start a career as a Behavior Technician with Little Steps Behavioral Services. Eager to apply my academic knowledge and passion for helping others to support children with developmental disabilities.

EXPERIENCE

- January 2024 - April 2024

Psychology Intern

Children's Autism Center / San Diego, CA

- Observed ABA therapy sessions and assisted with data collection under the supervision of senior RBTs.
- Engaged with children during play-based activities, promoting positive behaviors and social interaction.
- Participated in team meetings to discuss client progress and treatment strategies.

- August 2022 - December 2023

Volunteer Tutor

San Diego Youth Services / San Diego, CA

- Provided academic support and mentorship to children with learning disabilities.
- Collaborated with educators to develop individualized tutoring plans based on students' needs.
- Fostered a positive learning environment, leading to improved academic performance in 70% of students.

ACADEMIC PROJECT

- September 2022 - December 2022 / San Diego State University

Research Project on Child Development

- Conducted a research project on the impact of early childhood education on social skills development. Presented findings at the university's psychology symposium.
