

DAVID BROWN

Grinding Machine Operator

(614) 555-4567 

david.brown@email.com 

Columbus, OH 

PROFESSIONAL SUMMARY

Highly skilled Grinding Machine Operator with over 8 years of experience in surface and cylindrical grinding. Expertise in achieving precise dimensions, maintaining equipment, and collaborating with engineering teams. Recognized for improving grinding efficiency and process optimization.

EDUCATION

Certificate in Precision Machining

Columbus Technical College / Columbus, OH

Graduated December 2015

SKILLS

- Surface and Cylindrical Grinding **Expert**
- Machine Setup and Operation **Expert**
- Precision Measurement **Expert**
- Maintenance and Troubleshooting **Expert**
- Process Improvement **Expert**

COURSES

2022

Advanced Grinding Techniques Certification

2021

Precision Grinding Certification

AWARDS

- Best Grinding Operator Award at Ohio Grinding Technologies – Received July 2022

EXPERIENCE

2020 - Now

Grinding Machine Operator Ohio Grinding Technologies / Columbus, OH

- Operate surface and cylindrical grinders to achieve precise dimensions and finishes on metal parts.
- Conduct regular machine maintenance and perform troubleshooting.
- Collaborate with engineering teams to refine grinding processes.

2016 - 2019

Grinding Machine Operator Columbus Tool & Die / Columbus, OH

- Set up and operated grinding machines to meet exacting tolerances for industrial components.
- Inspected workpieces using gauges and micrometers to ensure quality.
- Maintained accurate records of machine operations and maintenance.

PROFESSIONAL DEVELOPMENT

Attended "Advanced Grinding Technologies" seminar
March 2023

Completed "Grinding Machine Maintenance" workshop
September 2022

- Process Improvement Leader:
Spearheaded a project that improved grinding efficiency by 15% – Completed June 2021
