PROFESSIONAL SUMMARY

Highly skilled Bespoke Tailor with 25 years of experience in crafting custom-made suits and garments for discerning clients. Expert in pattern drafting, fabric selection, and client consultations, delivering superior-quality, made-to-measure clothing.

EXPERIENCE

Master Tailor 2004 - Now

Hamilton Bespoke Tailors, United Kingdom, London

- Design and create custom, hand-made garments tailored to the individual specifications of high-end clients.
- Conduct in-depth consultations to understand clients' needs and preferences, resulting in high customer satisfaction.
- Craft precise patterns using advanced techniques, ensuring exact measurements for impeccable fit and style.
- Lead a team of tailors, overseeing quality control and final adjustments to garments.

Junior Tailor 1999 - 2003

Johnson & Sons Tailoring, United Kingdom, London

- Assisted senior tailors in the production of bespoke suits, performing fittings, alterations, and garment finishing.
- Specialized in fabric cutting and sewing, maintaining high standards of craftsmanship.
- Collaborated with clients during the design process to ensure their preferences were met.
