

MASTER'S IN PSYCHOLOGY

Sophia Tran

PROFESSIONAL SUMMARY

Aspiring to pursue a Master's in Psychology with a focus on cognitive behavioral therapy and neuropsychology. I am eager to deepen my understanding of mental health disorders and contribute to innovative treatment strategies through research, particularly exploring the intersection of cognitive processes and emotional well-being.

EDUCATION

Bachelor of Arts in Psychology, University of California, Berkeley, CA

2020 - 2024

- GPA: 3.85
- Dean's List
- Psi Chi Honor Society

RESEARCH EXPERIENCE

Undergraduate Research Assistant, Cognitive Psychology Lab, UC Berkeley, CA

2023 - Now

- Assist in a study examining the effects of sleep deprivation on memory retention in college students.
- Conduct data collection, coding, and statistical analysis using SPSS.
- Present research findings at the 2023 Undergraduate Research Symposium.
