Experience

SAT Tutor

January 2018 - Now

Beacon Test Prep / Boston, MA

- Provide personalized one-on-one and group tutoring for high school students preparing for the SAT.
- Develop comprehensive study plans that include timed practice tests and targeted exercises for weak areas, resulting in a 90% success rate of students improving their scores by at least 150 points.
- Monitor student progress and adapt strategies based on performance and feedback.

Private SAT Tutor

May 2015 - January 2018

Boston, MA

- Offered tailored tutoring for students focusing on the SAT Math, Reading, and Writing sections.
- Enhanced students' test-taking confidence through drills, mock exams, and detailed performance analysis.
- Utilized data-driven methods to identify and improve specific question types.

Teaching Assistant - SAT Prep Course

September 2014 - May 2015

Northeastern University / Boston, MA

- Assisted in leading an SAT preparation course for high school juniors, covering test strategies and content review.
- Held additional office hours to provide individualized instruction for students needing extra assistance in specific subjects.

Publications

"Strategies for SAT Success: A Comprehensive Guide"

- Published in The Educational Review, January 2023. A resourceful guide for students preparing for standardized tests, featuring tips and practice strategies.
