JORDAN SINCLAIR

CONSULTANT PHARMACIST

PROFESSIONAL SUMMARY

Dedicated and detail-oriented Consultant Pharmacist with over 10 years of experience providing comprehensive medication management services, particularly for elderly and chronically ill patients in long-term care and rehabilitation settings.

EXPERIENCE

- January 2017 - Now

Consultant Pharmacist

Heritage Long-Term Care & Rehabilitation Center / New Orleans, LA

- Conduct comprehensive medication reviews for a caseload of 100+ residents, identifying and resolving potential drug interactions, contraindications, and adverse drug reactions.
- Collaborate with a team of physicians, nurses, and case managers to develop tailored medication regimens for residents, ensuring adherence to evidence-based guidelines.
- Implemented policies and procedures that promoted safe and effective medication use, leading to a 25% reduction in adverse drug events over two years.

- August 2014 - December 2016

Staff Pharmacist

CVS Health / Baton Rouge, LA

- Managed daily operations of the pharmacy, including dispensing medications, supervising three pharmacy technicians, and conducting patient consultations.
- Provided expert advice on drug therapies, counseling 50+ patients daily on safe and effective medication use, resulting in improved patient adherence and satisfaction.

- May 2011 - July 2014

Clinical Pharmacist

Louisiana State University Health Sciences Center / Shreveport, LA

- Partnered with multidisciplinary teams to develop individualized treatment plans for complex patient cases, reducing polypharmacy risks and enhancing therapeutic outcomes.
- Educated patients and families on medication adherence and lifestyle modifications, empowering over 500 patients to manage chronic conditions such as heart failure and COPD.
