## PROFESSIONAL SUMMARY

Experienced Interim CIO with a proven ability to step into complex IT leadership roles and stabilize operations during times of transition. Skilled in aligning short-term IT goals with long-term business strategy, optimizing teams, and maintaining cybersecurity integrity.

## EXPERIENCE

### Interim Chief Information Officer 2023 - Now Sunshine Industries, United States, Los Angeles, CA

- Assume interim leadership for IT operations during a corporate restructuring, stabilizing IT teams and ensuring business continuity.
- Manage the transition to cloud-based systems, reducing operational downtime by 40%.
- Implement short-term cybersecurity strategies that mitigated emerging threats during the transition period.
- Direct a team of IT professionals in the successful rollout of a new CRM system, ensuring the system was fully integrated within three months.

### Interim CIO 2021 - 2023 GreenTech Solutions, United States, Los Angeles, CA

- Led the company's IT transformation during the CEO transition, ensuring strategic alignment between IT and business objectives.
- Worked closely with board members to streamline operational processes, resulting in a 15% reduction in IT expenses.
- Managed a diverse team of IT professionals, creating a collaborative work environment that improved morale and productivity.
