New York, NY

EDUCATION

Bachelor of Science in Clinical Laboratory Science

University of Medicine and Dentistry of New Jersey, Newark, NJ

Graduated: May 2016

Certifications

- American Society for Clinical Pathology (ASCP) Certification – Clinical Laboratory Scientist (CLS)
Certified: June 2016
- New York State Department of Health
Clinical Laboratory Licensed: June 2016

SKILLS

- Hematology & Microbiology Testing
- Automated Laboratory Systems (e.g., Siemens ADVIA, Roche Cobas)
- Blood Gas Analysis
- Proficiency with Laboratory Management Software (LabWare, Cerner)
- Strong Written and Verbal Communication Skills
- Team Leadership & Training
- Detail-Oriented with Strong Organizational Skills

DAVID MCCUTCHEON

CLINICAL LABORATORY TECHNOLOGIST

PROFESSIONAL SUMMARY

Detail-oriented and highly skilled Clinical Laboratory Technologist with over 8 years of experience in performing complex laboratory tests, analyzing results, and ensuring compliance with safety and regulatory standards. Proficient in various laboratory equipment, techniques, and diagnostic tools.

EXPERIENCE

- June 2020 - Now

Clinical Laboratory Technologist

NewYork-Presbyterian Hospital / New York, NY

- Perform a variety of diagnostic tests in hematology, microbiology, and clinical chemistry, ensuring the highest accuracy and reliability of results.
- Process over 200 patient samples per day, analyzing results and preparing reports for physicians to aid in diagnosis.
- Operate and maintain laboratory equipment, including centrifuges, microscopes, and automated analyzers, ensuring compliance with quality control protocols.

- May 2018 - June 2020

Laboratory Technician

Mount Sinai Health System / New York, NY

- Conducted laboratory tests for blood and urine samples, preparing them for analysis using automated systems.
- Assisted in the implementation of new testing procedures, improving efficiency by 15% while maintaining accuracy.
- Performed regular calibration and maintenance of laboratory equipment, reducing downtime and operational issues.

- August 2016 - April 2018

Clinical Laboratory Assistant

Northwell Health / Long Island, NY

- Prepared patient samples for analysis and assisted in routine laboratory tests, focusing on microbiology and pathology.
- Processed and recorded test results in laboratory management software, ensuring data accuracy.
- Supported senior technologists in troubleshooting equipment malfunctions and resolving technical issues.
