## PROFESSIONAL SUMMARY

Accomplished Senior Project Manager with 12+ years of experience leading multi-million-dollar construction projects. Proven track record in managing project timelines, budgets, and client relationships while ensuring adherence to safety standards and quality control.

## EXPERIENCE

### Senior Project Manager

2018 - Now

Pioneer Construction Group, United States, New York, NY

- Manage high-value commercial and residential construction projects, ensuring on-time, within-budget completion.
- Oversee a team of 20+ project managers, subcontractors, and vendors to ensure smooth project execution.
- Implement cost-saving strategies, reducing project costs by 15% while maintaining quality and meeting all client expectations.
- Collaborate with architects, engineers, and contractors to solve complex construction challenges and develop project scopes.

### Project Manager

2012 - 2017

Greenwood Builders, United States, New York, NY

- Managed a portfolio of residential and commercial projects, from initial planning to final handover.
- Monitored project budgets and schedules, preventing overruns and delays.
- Developed and maintained client relationships, ensuring client satisfaction and repeat business.
