

Sophia Martinez

Professional summary

Innovative and detail-oriented front-end developer with over one year of hands-on experience designing and implementing engaging, user-centric interfaces. Adept at leveraging modern frameworks like React and optimizing for accessibility standards.

Experience

Junior Front-End Developer

July 2024 - Now

Brightly Inc. / United States, San Francisco, CA

- Develop responsive and interactive web pages, meeting diverse client needs across retail, education, and non-profit industries.
- Conduct comprehensive accessibility audits to ensure compliance with WCAG 2.1 AA standards.
- Collaborate with back-end developers and UI/UX designers to integrate RESTful APIs.
- Implement automated testing frameworks like Jest to maintain code quality and reduce bugs in production.

Web Development Intern

January 2023 - June 2023

Stanford IT Services / United States

- Designed and deployed interactive dashboards for campus IT services, utilizing Vue.js and Bootstrap.
- Researched and implemented solutions to improve cross-browser compatibility and mobile responsiveness.
- Created documentation for reusable components to streamline development processes for future teams.

Personal Portfolio Website

GitHub: /sophiamartinez/portfolio / Launched: March 2023

- Integrated SEO best practices, achieving a 40% increase in site traffic and improving visibility in Google search results.
- Implemented animations using Framer Motion, enhancing user engagement with smooth transitions.
