PROFESSIONAL SUMMARY

Award-winning Investigative Journalist with experience uncovering corruption and exposing corporate misconduct. Skilled in data-driven investigations, storytelling, and producing impactful reports for major national publications. Adept at managing investigative teams, handling sensitive sources, and leveraging digital tools for multimedia storytelling.

EXPERIENCE

Senior Investigative Journalist

2019 - Now

The New York Times, United States

- Spearhead high-profile investigations, including a Pulitzer-nominated series on environmental hazards in urban areas.
- Conduct in-depth research utilizing complex datasets, FOIA requests, and advanced analytics tools to uncover systemic issues.
- Interview whistleblowers, policymakers, and experts to build airtight narratives supported by hard evidence.
- Mentor junior reporters, providing editorial oversight and training on investigative techniques.

Investigative Reporter

2014 - 2019

The Washington Post, United States, D.C.

- Drafted comprehensive FOIA requests to secure critical documents and uncover financial misconduct.
- Partnered with technical teams to integrate data visualizations and timelines into digital stories.
- Regularly worked under tight deadlines while ensuring the integrity and accuracy of all content.
