Bachelor of Science in Mobile Application Development

University of Illinois at Chicago, United States, Graduated: May 2015

React Native Developer Certification

Udacity, April 2020

💼 PROFESSIONAL SUMMARY

Senior React Native Developer with 8+ years of experience building cross-platform mobile applications. Proficient in React Native, Redux, and mobile-specific design patterns. Passionate about delivering high-quality, scalable solutions for iOS and Android.

💼 EXPERIENCE

Senior React Native Developer   2020 - Now

MobileTech Solutions, United States, Chicago, IL

- Lead the development of mobile applications for iOS and Android platforms.
- Collaborate with product managers and designers to deliver mobile applications with rich user interfaces.
- Implement Redux for state management and integrate RESTful APIs.
- Mentored junior developers and provided guidance on best practices, code quality, and testing.

React Native Developer   2017 - 2020

App Builders, United States, Chicago, IL

- Built and deployed multiple mobile apps for both iOS and Android platforms using React Native.
- Integrated third-party libraries and tools for push notifications, maps, and social media integrations.
- Optimized mobile apps to meet performance standards, reducing load times by 20% and improving user retention.

Junior Mobile Developer   2015 - 2016

StartUp Mobile, United States, Chicago, IL

- Worked with senior developers to implement features and debug issues.
