

In-Home Registered Behavior Technician

Sarah Johnson

Professional summary

Dedicated and empathetic Registered Behavior Technician with experience in providing in-home behavioral therapy for children with autism. Skilled at implementing evidence-based strategies to foster communication, social, and emotional development. Passionate about collaborating with families to create a supportive environment that encourages growth and independence.

Experience

In-Home Registered Behavior Technician

June 2022 - Now
Private Practice / Los Angeles, CA

- Deliver individualized ABA therapy sessions tailored to the specific needs of children with ASD, focusing on behavior improvement and skill acquisition.
- Partner with families to teach ABA strategies for everyday use, ensuring consistent reinforcement of learned skills at home.
- Conduct detailed progress tracking using data analysis to refine treatment plans for optimal outcomes.
- Support children in mastering daily living tasks, emotional regulation, and communication skills.

Behavior Technician

May 2021 - June 2022
Autism Therapy Center / Los Angeles, CA

- Assisted BCBAs in designing and implementing tailored behavior intervention plans for children with autism.
- Facilitated parent education sessions to ensure alignment and consistency in applying ABA principles.
- Monitored client behavior and maintained accurate records to support ongoing evaluation and treatment adjustments.
- Utilized de-escalation techniques and crisis intervention strategies when needed to ensure client safety.

Volunteer Experience

Volunteer Behavior Support Assistant

January 2020 - Now
Local Autism Advocacy Group, Los Angeles, CA

- Assisted families during workshops and therapy sessions focused on improving parent-child communication for children with ASD.
- Provided behavioral observations and hands-on support for children during community activities.
- Helped organize and run events promoting autism awareness and inclusion.
