EDUCATION

Associate Degree in Diagnostic Medical Sonography

Seattle Community College,
Graduated: May 2025

- Relevant Coursework:* Introduction to Ultrasound Imaging, Sonographic Anatomy, Patient Care

Certifications

- Ultrasound Physics and Instrumentation**, February 2025
- Basic Life Support (BLS) Certification**, January 2025

PROFESSIONAL SUMMARY

Dedicated ultrasound student with a strong foundation in diagnostic imaging. Skilled in performing non-invasive diagnostic procedures, operating ultrasound machines, and ensuring patient safety and comfort. Looking to apply my education and hands-on experience in a clinical setting.

EXPERIENCE

Ultrasound Intern

2025 - Now

Seattle Medical Imaging Clinic

- Assist senior sonographers with patient preparations and procedural setup for diagnostic ultrasounds.
- Perform abdominal and pelvic ultrasounds under supervision and provide accurate images for diagnostic purposes.
- Document patient history, symptoms, and test results in accordance with HIPAA regulations.
- Provide excellent patient care, addressing concerns and ensuring comfort during procedures.

Medical Assistant

2024 - 2025

Evergreen Health Center, Seattle, WA

- Supported healthcare providers with patient assessments, taking medical histories, and preparing patients for medical imaging.
- Assisted in the preparation and cleaning of ultrasound equipment and examination rooms.
- Managed patient scheduling, ensuring timely appointments and follow-up care.
