EMILY JOHNSON

RESIDENTIAL INTERIOR DESIGNER

PROFESSIONAL SUMMARY

Creative and detail-oriented recent graduate with a Bachelor's degree in Interior Design from the University of Georgia. Passionate about residential design and eager to contribute innovative ideas and fresh perspectives to a dynamic design team.

EXPERIENCE

- June 2024 - August 2024

Intern, Interior Design

The Design Studio / Atlanta, GA

- Assisted in creating mood boards and design concepts for residential projects, providing visual aids for client meetings.
- Drafted floor plans and 3D renderings for several client presentations, collaborating with senior designers for feedback and revisions.
- Conducted research on furniture and materials to ensure selections aligned with client needs and budgets.
- Participated in site visits, taking notes on measurements and observing how design choices impacted the space.

VOLUNTEER WORK

- March 2025 - May 2025 / Habitat for Humanity, Athens, GA

Design Volunteer

- Collaborated with a team to design a layout for a new community center.
- Provided design suggestions to optimize space and ensure a welcoming atmosphere for community events.
- Assisted in sourcing low-cost furniture and materials for the project.

PROJECTS

- / University of Georgia

Residential Design Project

Designed a functional and aesthetically pleasing small apartment layout for a young professional, focusing on maximizing space and creating a modern, cozy environment. Presented designs using AutoCAD and 3D rendering tools.
