Problem-solving and
debugging

Attention to detail

Professional summary

Aspiring IT Developer with a strong foundation in software development principles and hands-on experience building web applications. Eager to apply coding skills and problem-solving abilities in a fast-paced development team.

Experience

TechWorks Solutions

June 2024 - August 2024

San Francisco, CA

Software Development Intern

- Assisted in the development of client-side web applications using HTML, CSS, and JavaScript, contributing to user interface improvements.
- Collaborated with senior developers to debug and optimize backend code in Java and Python for better application performance.
- Participated in sprint planning meetings and contributed to project timelines, ensuring tasks were completed on schedule.

Freelance

January 2023 - June 2024

San Francisco, CA

Freelance Web Developer

- Developed and maintained responsive websites for small businesses, integrating features such as contact forms, galleries, and shopping carts.
- Implemented dynamic web pages using JavaScript and Node.js to improve interactivity and user experience.

Personal Projects

- Built a weather forecasting app using JavaScript and an API, incorporating real-time data from weather stations to display updates.
- Developed an e-commerce website as part of a personal project, integrating a shopping cart and user authentication features using Node.js and MongoDB.
