PROFESSIONAL SUMMARY

Accomplished Chartered Accountant with experience specializing in auditing for large corporations. Skilled in assessing financial statements, ensuring compliance with regulations, and identifying risks and opportunities for improvement.

EXPERIENCE

Audit Manager

2017 - Now

Deloitte, London, UK

- Lead and managed audits for clients in various sectors, including finance, manufacturing, and technology.
- Supervised a team of 5 auditors, ensuring deadlines and quality standards were met.
- Identified risk factors and provided actionable recommendations to clients for risk mitigation.
- Reviewed and ensured the compliance of financial statements with international accounting standards (IFRS).
- Developed audit strategies and coordinated with client management to resolve discrepancies.

Audit Associate

2013 - 2017

Grant Thornton, London, UK

- Conducted audits for small to mid-sized companies, analyzing financial records and providing insight into accounting practices.
- Assisted in preparing audit reports for clients, focusing on areas such as internal controls and compliance.
- Managed relationships with clients, addressing concerns and offering financial guidance.
