

Emily Zhang

Professional summary

Dedicated youth advocacy professional with deep experience in public policy, civic education, and community engagement. Excels at leading youth-led campaigns, simplifying legislative issues, and building strategic alliances that center the voices of young people.

Experience

Youth Advocacy Coordinator

February 2019 - Now
YouthCare / Seattle, WA

- Facilitate youth advisory boards that collaborate with local officials to influence policy around housing, education, and employment opportunities.
- Design and host annual Youth Forums that convene over 100 participants to share lived experiences, legislative priorities, and community solutions.
- Produce advocacy materials, policy one-pagers, and outreach campaigns that help teens understand their rights and communicate with elected representatives.
- Collaborate with local coalitions to organize civic engagement training for peer educators and youth organizers across King County.

Advocacy Intern

May 2017 - January 2019
TeamChild / Seattle, WA

- Researched juvenile justice trends and contributed to briefs advocating for alternatives to detention and school pushout.
- Presented Know Your Rights sessions at schools and community centers, reaching over 400 youth with accessible legal education tools.
- Supported interagency meetings and policy roundtables with youth speakers, documenting insights for inclusion in final reports.
- Conducted outreach to young people affected by school exclusion and helped connect them with legal advocates and reentry programs.
