Dear Mr. Jacobson,

I am writing to express my interest in the Registered Nurse position at Blue Ridge Medical Center. With over five years of experience in the healthcare industry, I am confident that I possess the necessary skills and qualifications to make a positive contribution to your team.

As a Registered Nurse, I have had the opportunity to work in various settings including hospitals, clinics, and home healthcare. My experience has allowed me to develop exceptional clinical skills and knowledge in patient care. I am well-versed in administering medications, monitoring vital signs, and providing wound care.

One of my biggest achievements as a Registered Nurse was taking part in testing a new electronic health record system. This resulted in increased efficiency and accuracy in patient documentation, ultimately leading to improved patient care.

My best qualities as a nurse include compassion, empathy, and strong communication skills. I believe that these qualities are essential in creating a nurturing environment for patients. My colleagues would describe me as a team player who is always willing to go above and beyond for the benefit of the team and our patients.

Thank you for considering my application. I look forward to the opportunity of discussing how I can be an asset to your team further.

Sincerely,

Josephine Jackson
