## PROFESSIONAL SUMMARY

Friendly and knowledgeable Campus Tour Guide with extensive experience guiding prospective students and families around Boston University. Known for a positive attitude and ability to make prospective students feel welcome and excited about university life. Skilled in answering questions and showcasing the best aspects of the campus and student experience.

## EXPERIENCE

### Campus Tour Guide

2022 - Now

#### Boston University, Boston, MA

- Conduct weekly tours for prospective students and families, highlighting campus facilities, academic programs, and student resources.
- Actively engage in university ambassador events, helping represent the university at high school fairs and recruitment events.
- Answer a broad range of questions on student life, academics, and housing, consistently receiving positive feedback for approachability and knowledge.
- Develop and implement engaging presentations that effectively convey the university's values and community culture.

### Orientation Leader

2022 - 2023

#### Boston University, Boston, MA

- Guided new students and their families through orientation activities, familiarizing them with campus resources and building community.
- Organized campus-wide events, enhancing the university's onboarding experience and increasing retention rates among first-year students.
- Collaborated with various departments to ensure a smooth transition for incoming students and their families.
- Provided support and mentorship to first-year students, helping them acclimate to university life.
