EXPERIENCE

2017 - Now

Senior Librarian

Oakland Central Library – Oakland, CA

- Manage library programs, including community outreach, youth services, and digital literacy training.
- Supervise a team of 10 library staff, providing training and support for professional development.
- Develop and curate the library's adult and children's collections, increasing community engagement.
- Lead the transition to an integrated digital cataloging system, improving efficiency and user experience.
- Coordinate partnerships with local schools and community organizations to extend library services.

2010 - 2016

Librarian

San Francisco Public Library – San Francisco, CA

- Provided reference and research services to library patrons, helping them navigate print and digital resources.
- Assisted in organizing special events, workshops, and book clubs.
- Maintained cataloging records and helped streamline the library's collection management process.

LEADERSHIP ACHIEVEMENTS

- **Led the Integration of New Library Technology.** Successfully managed the implementation of a new digital cataloging system at Oakland Central Library, reducing book search times by 30%.
- **Mentorship Program.** Initiated a mentorship program for junior librarians, resulting in a 25% increase in staff retention and career development.

- **Community Outreach Award.** Recognized for efforts in expanding library programming and forging partnerships with local schools and nonprofits.
-
