PROFESSIONAL SUMMARY

Motivated and compassionate new graduate with a BSN degree seeking to apply nursing skills in a fast-paced ER setting. Passionate about providing excellent care to patients in emergency situations and working within a collaborative team.

EXPERIENCE

June 2024 - December 2024

Nurse Intern – Emergency Department

University Medical Center / United States, Chicago, IL

- Provided hands-on patient care under supervision in the emergency department.
- Assisted in triaging patients, recording vital signs, and preparing patient histories.
- Supported the nursing staff in managing emergency procedures such as wound care, IV placement, and medication administration.
- Assisted in patient education and discharged patients with post-care instructions.

January 2023 - May 2023

Student Nurse

Chicago City Hospital / United States, Chicago, IL

- Gained experience in multiple hospital units, including the ER, observing and assisting in emergency care.
- Provided basic patient care, such as bathing, feeding, and mobility assistance.
- Assisted in patient documentation, including electronic health record (EHR) entry.
