

Entry-Level Nurse Manager

Emily Thompson

Professional summary

Enthusiastic Registered Nurse with leadership potential seeking an Entry-Level Nurse Manager position. Bringing strong clinical skills, excellent communication abilities, and a passion for enhancing team performance. Looking forward to contributing to the growth of Emory Healthcare.

Experience

Registered Nurse (RN)

March 2020 - Now

Emory University Hospital Midtown / Atlanta, GA

- Provide direct nursing care to patients on a busy general surgery floor, managing up to 10 patients per shift.
- Collaborate with multidisciplinary teams to ensure patient safety and optimize care plans.
- Participate in quality improvement projects, contributing to a 10% improvement in patient care metrics.
- Train and mentor new nurses, helping improve team cohesion and clinical skills.

Nursing Intern (Part-Time)

May 2019 - August 2019

Piedmont Atlanta Hospital / Atlanta, GA

- Assisted in patient care under the supervision of registered nurses in various departments, including emergency and ICU.
- Gained hands-on experience in clinical documentation, medication administration, and patient assessments.
- Participated in care rounds, observing decision-making processes and gaining insight into nursing leadership.

Extracurricular Activities

President, Student Nurses Association (SNA)

Georgia State University

- Led initiatives to host community health fairs, providing free blood pressure checks and health screenings to local residents.

Mentor, Nursing Peer Mentorship Program

Georgia State University

- Provided guidance and support to first-year nursing students, helping them adjust to academic and clinical challenges.
