PROFESSIONAL SUMMARY

Compassionate and dedicated Pediatric Occupational Therapist with over 8 years of experience working with children who have physical, developmental, and sensory disabilities. Expertise in individualized therapy plans, family-centered practices, and therapeutic activities to support developmental milestones and improve motor skills.

EXPERIENCE

Pediatric Occupational Therapist

2018 - Now

Children's Hospital of Seattle, United States, WA

- Develop and implement individualized therapy plans for children with developmental disabilities, ADHD, autism, and sensory processing disorders.
- Use play-based therapy techniques to improve fine motor, sensory, and social skills.
- Conduct assessments to track progress and adjust treatment plans accordingly.
- Collaborate with parents and other healthcare professionals to ensure a holistic approach to patient care.

Occupational Therapy Intern

2017 - 2018

Seattle Children's Therapy Clinic, United States, WA

- Assisted in implementing treatment plans for children under the supervision of licensed OTs.
- Conducted therapy sessions focused on motor development, sensory integration, and communication skills.
- Observed and documented patient progress, preparing reports for review by senior therapists.
