Arizona State University, United States, Phoenix, AZ

Certified Maintenance & Reliability Technician (CMRT)

Society for Maintenance & Reliability Professionals, Certified: July 2020

PROFESSIONAL SUMMARY

Detail-oriented Maintenance Mechanic with 10 years of experience maintaining mechanical systems in large facilities. Skilled in troubleshooting HVAC, electrical, and plumbing systems to ensure a safe and efficient working environment. Seeking to contribute my technical expertise and problem-solving skills to USPS operations.

EXPERIENCE

Maintenance Mechanic 2018 - Now United States Postal Service, United States, Phoenix, AZ

- Perform regular maintenance and repairs on HVAC systems, electrical circuits, and plumbing to ensure facilities run efficiently.
- Troubleshoot and resolve mechanical issues with postal vehicles, equipment, and building infrastructure.
- Conduct preventative maintenance to minimize equipment downtime and ensure a safe working environment.
- Adhere to safety protocols, ensuring compliance with OSHA regulations and federal standards.

Maintenance Technician 2015 - 2018 Honeywell International, United States, Phoenix, AZ

- Performed troubleshooting, diagnostics, and repairs on HVAC and electrical systems across multiple industrial sites.
- Worked with engineers to optimize energy consumption and improve system efficiency, resulting in cost savings of 12%.
- Conducted safety inspections and ensured compliance with environmental regulations.
