## EDUCATION

2011 - 2015

### Bachelor of Science in Nursing (BSN)

University of Illinois at Chicago, United States

### Certifications

- **Advanced Cardiac Life Support (ACLS)** – American Heart Association – January 2024
- **Basic Life Support (BLS)** – American Heart Association, January 2024
- **Ventilator Management Training** – Northwestern Memorial Hospital, June 2022
- **Critical Care Registered Nurse (CCRN)** – American Association of Critical-Care Nurses (AACN), March 2019

## PROFESSIONAL SUMMARY

Dedicated ICU Nurse with 10+ years of experience providing critical care to adult patients in high-acuity settings. Adept at managing complex cases, including multi-organ failure and sepsis. Strong collaborator with physicians and interdisciplinary teams to optimize patient outcomes.

## EXPERIENCE

### ICU Nurse

2017 - Now

#### Northwestern Memorial Hospital, United States, Chicago, IL

- Manage care for 5-7 critically ill patients per shift, monitoring vital signs, administering medications, and adjusting ventilators.
- Act as a preceptor for new nurses, providing training in advanced life support techniques and ICU protocols.
- Collaborate with intensivists to implement individualized care plans for patients with acute respiratory distress syndrome (ARDS) and renal failure.
- Introduced a patient education initiative that improved discharge readiness by 15%.

### Registered Nurse - ICU

2015 - 2016

#### St. Mary's Hospital, United States, Chicago, IL

- Delivered bedside care to critically ill adults with cardiovascular, neuro, and post-surgical complications.
- Conducted continuous assessments to identify and address changes in patient conditions.
- Assisted in emergency procedures, including bedside tracheostomy and central line insertions.
