EXPERIENCE

Web Design Intern

2024 - 2024

Innovatech Digital, Seattle, WA

- Assisted senior designers in creating website mockups and wireframes for various clients.
- Contributed to the development of responsive websites using HTML and CSS.
- Conducted user testing and helped refine designs based on feedback.
- Participated in team meetings and collaborated with developers to ensure designs were properly implemented.

Freelance Web Designer

2024 - 2024

Self-Employed, Seattle, WA

- Designed and developed personal websites for individuals and small businesses.
- Managed all aspects of the web design process, from concept to launch, ensuring client satisfaction.
- Built a portfolio of 5 projects to demonstrate design skills and technical abilities.
