Dear Hiring Manager,

I am writing to express my interest in the Special Education Teacher position at Joplin High School, as advertised. With a passion for helping students with diverse learning needs and a strong commitment to fostering an inclusive classroom environment, I believe I would be a valuable asset to your team.

My experience also includes collaborating with general education teachers, counselors, and parents to provide a holistic approach to each student's academic and social development.

My goal is always to empower students to reach their full potential, not only academically but also socially and emotionally.

I would welcome the chance to discuss how my skills and experience can align with your school's mission and goals. Please feel free to contact me.

I look forward to the possibility of joining your team and helping students achieve their highest potential.

Thank you for your time and consideration.
