United States, Atlanta, GA

## EDUCATION

### Associate Degree in Electrical Technology

Atlanta Technical College, Graduated:  
May 2024

- Relevant Coursework:** Electrical Circuits, Residential Wiring, Circuit Breakers, Safety Protocols

### Certifications

- Electrical Apprenticeship License**, Georgia Department of Labor, March 2023
- OSHA 10-Hour Construction Safety Certification**, April 2023

## PROFESSIONAL SUMMARY

Motivated and diligent apprentice electrician with 2 years of experience assisting licensed electricians in residential installations and repairs. Eager to apply my strong technical knowledge and hands-on skills in residential electrical systems to contribute to a growing company.

## EXPERIENCE

### Residential Electrician Apprentice

2024 - Now

#### Turner Electric, Atlanta, GA

- Assist senior electricians in installing and maintaining electrical wiring in residential properties.
- Support electrical installations, including outlets, switches, and lighting systems, following blueprints and technical diagrams.
- Test electrical systems for functionality and troubleshoot common issues under the guidance of a journeyman electrician.
- Ensure compliance with all local electrical codes and safety regulations during installations and repairs.

### Electrical Apprenticeship Intern

2023 - 2023

#### Peak Electric, Atlanta, GA

- Assisted in the installation of electrical systems, including wiring, circuit breakers, and lighting.
- Observed and learned various electrical installation methods and safety protocols in residential construction projects.
- Supported electricians in maintaining power supply systems and troubleshooting wiring faults.
