United States, Seattle, WA

EDUCATION

High School Diploma

Seattle High School, Graduated: June 2018

Certifications

- Amazon's Health & Safety Certification, April 2022
- Forklift Operator Certification, OSHA, March 2021

PROFESSIONAL SUMMARY

Diligent and hardworking Warehouse Associate with experience in fast-paced distribution environments. Proven ability to handle physical labor, operate machinery, and ensure smooth warehouse operations. Seeking to contribute my skills to a dynamic team at Amazon.

EXPERIENCE

Warehouse Associate

2021 - Now

Amazon Fulfillment Center, Seattle, WA

- Sort and pack customer orders to ensure timely and accurate deliveries.
- Operate forklifts and pallet jacks to transport products across the warehouse.
- Maintain a clean and organized workspace while adhering to safety protocols.
- Monitor inventory levels and assist in stock replenishment when necessary.
- Collaborate with team members to meet daily productivity targets.

Warehouse Worker

2019 - 2021

UPS Supply Chain Solutions, Seattle, WA

- Assisted with loading and unloading shipments, ensuring accurate counts and proper storage.
- Utilized barcode scanners to track inventory and assist in stocktaking.
- Performed quality control checks on incoming products, reporting any discrepancies.
- Helped maintain a safe working environment by following established protocols.
