### PROFESSIONAL SUMMARY

Licensed and experienced Optometrist with experience in providing comprehensive eye care services, including vision testing, diagnosis, and treatment. Looking for a position in a progressive clinic where I can continue delivering high-quality patient care while expanding my professional expertise.

### EXPERIENCE

#### Optometrist

2018 - Now

##### Vision Care Clinic, Chicago, IL

- Conduct thorough eye examinations to assess vision problems and diagnose ocular diseases.
- Prescribe corrective lenses and manage treatment for vision disorders such as glaucoma and cataracts.
- Educate patients on eye health, preventative care, and lifestyle adjustments to maintain optimal vision.
- Collaborate with ophthalmologists to treat complex cases and perform minor surgical procedures.

#### Optometric Assistant

2015 - 2017

##### Sightful Eye Care, Chicago, IL

- Assisted optometrists with eye exams and patient histories, preparing patients for procedures.
- Managed patient records and coordinated appointment scheduling.
- Conducted initial eye screenings and recommended corrective eyewear based on test results.
