Emma Martinez

Professional summary

Passionate and adaptable online SAT tutor with experience providing virtual SAT preparation. Skilled at engaging students in an online environment and using digital tools to facilitate interactive learning. Proven track record of helping students raise their SAT scores by providing personalized instruction via virtual platforms.

Experience

Online SAT Tutor

2021 - Now

PrepOnline Tutors / Miami, FL

- Conduct one-on-one online SAT tutoring sessions, providing personalized instruction for students across the U.S., focusing on all sections of the exam.
- Design interactive lesson plans using digital tools such as Google Docs, Zoom breakout rooms, and online quizzes to enhance student engagement and learning outcomes.
- Administer practice tests via online platforms to replicate real test-day experiences, helping students familiarize themselves with test timing and pressure.
- Maintain detailed progress reports and communicated regularly with students and parents to ensure goals were met and to adjust lesson plans based on evolving needs.

Remote SAT Tutor

2018 - 2021

Virtual Academic Tutoring / Miami, FL

- Provided virtual SAT test prep for students, developing custom study plans tailored to individual learning styles and goals.
- Utilized various online platforms to host group review sessions, allowing students to collaborate and share strategies for test success.
- Helped students improve test-taking strategies, focusing on timing, question prioritization, and staying calm under pressure during practice exams.
- Provided detailed feedback to students on practice test results, highlighting key areas for improvement and ensuring they understood the reasoning behind correct and incorrect answers.

Technology Proficiency

- Skilled in using online teaching platforms such as Zoom, Google Classroom, and Skype to deliver interactive lessons.
- Familiar with SAT prep tools like Khan Academy and PrepScholar to supplement tutoring sessions.
- Proficient in digital grading tools and virtual whiteboard applications, ensuring smooth, efficient tutoring sessions.
