

BRIAN ELLISON

ASSEMBLY LINE TECHNICIAN

Phone: (313) 456-9823

Mail: brian.ellison@gmail.com

Address: United States, Detroit, MI

Detail-oriented automotive assembler with experience on high-speed production lines. Skilled in interpreting blueprints, operating robotic welding arms, and ensuring quality compliance in high-volume manufacturing environments.

EXPERIENCE

March 2018 - Now	Ford Motor Company / Detroit, MI
Assembly Line Technician	- Assemble vehicle frames and install mechanical components using hydraulic and pneumatic tools. - Collaborate with engineers and quality inspectors to ensure product meets safety and design standards. - Lead a 4-person team responsible for completing final inspections on chassis components. - Reduce rework time by 18% through improved error detection and proactive troubleshooting.
August 2015 - February 2018	Magna International / Troy, MI
Automotive Production Assistant	- Supported assembly operations by preparing materials and organizing workflow. - Conducted visual inspections to verify conformity to design specifications. - Participated in Kaizen events to identify efficiency improvements in line processes.

EDUCATION

High School Diploma	Cass Technical High School / Graduated: June 2015
---------------------	---

Certifications	OSHA 10-Hour General Industry Safety and Health, July 2022 Automotive Assembly Certification, March 2021
----------------	--

SKILLS

Blueprint and schematic reading	Expert	Hydraulic and pneumatic tools	Expert
Welding and robotic systems	Expert	Quality control & inspection	Expert
Fast-paced teamwork	Expert	Mechanical troubleshooting	Expert
