EDUCATION

High School Diploma

Harding University High School |
Charlotte, NC | 2016

Certifications

- NC Structural Pest Control License – April 2020
- OSHA 10-Hour General Industry – September 2021

LANGUAGES

- Fluent in English and Spanish, which helps when explaining treatment plans to diverse clientele.

PROFESSIONAL SUMMARY

Reliable pest control technician with experience managing residential and commercial accounts. Skilled in rodent exclusion, bed bug treatments, and IPM methods. Dedicated to maintaining safe and effective environments for clients and team members alike.

EXPERIENCE

Pest Control Technician

2019 – Now

BugPro Pest Solutions, Charlotte, NC

- Conduct thorough inspections and apply treatment plans to eliminate infestations in over 30 homes weekly.
- Achieved a 22% reduction in re-treatments by identifying root causes and adjusting treatment methods accordingly.
- Follow North Carolina state safety standards when storing, mixing, and applying pesticides.
- Train and mentor new hires on field procedures, safety gear usage, and customer service best practices.

Technician Assistant

2017 – 2019

Guardian Termite & Pest, Gastonia, NC

- Assisted certified technicians with property evaluations, spray application, and rodent removal processes.
- Helped maintain detailed service logs, material usage reports, and customer feedback forms.
- Gained hands-on experience using bait stations, snap traps, and mechanical exclusion tools.
- Participated in bi-weekly safety briefings and compliance workshops to stay updated on regulations.
