EXPERIENCE

2020 - Now

Residential Painter

FreshCoat Painting Services / Philadelphia, PA

- Prep and paint interiors and exteriors of single-family homes and apartments using brushes, rollers, and sprayers.
- Repair drywall, patch holes, and caulk trim prior to painting for a flawless finish.
- Communicate with clients to determine preferred colors and finishes; provide advice on long-lasting paint products.
- Maintain equipment and ensure cleanliness on-site daily.

2016 - 2020

Painter Assistant

BrightTouch Interiors / Trenton, NJ

- Assisted senior painters in priming, taping, and painting walls, ceilings, and baseboards.
- Mixed paints and safely disposed of materials following EPA regulations.
- Worked on-site to clean up job areas and prep walls by sanding and masking.

PROJECTS

Whole-Home Repaint

Chestnut Hill Renovation, 2023

Prepped and painted 4,000 sq. ft. home with historic molding and trim work. Finished job within 6 days and received 5-star client review.
