

Susan Lee

BIOLOGY TEACHER

(323) 555-1234

susan.lee@gmail.com

United States, Los Angeles, CA

SKILLS

Expertise in cellular biology, ecology, and genetics Expert

Strong laboratory skills (microscopes, dissections, data analysis) Expert

Curriculum design for advanced biology courses Expert

Mentorship and extracurricular activities coordination Expert

Technological proficiency (virtual simulations-, educational software) Expert

Data-driven assessment and feedback Expert

AWARDS

Teacher of the Year Award – Jefferson High School, 2020

Outstanding Contribution to Education Award – California State University, Los Angeles, 2011

LANGUAGES

- Spanish – Intermediate proficiency

PROFESSIONAL SUMMARY

Detail-oriented and passionate Biology Teacher with experience in instructing high school students in cellular biology, genetics, and ecology. Committed to fostering a love for life sciences and encouraging students to think critically about the world around them.

EXPERIENCE

August 2012 - Now

Biology Teacher

Jefferson High School / Los Angeles, CA

- Teach AP Biology and standard biology courses to 9th through 12th-grade students.
- Develop hands-on laboratory exercises to demonstrate biological principles and concepts.
- Guide students through complex biological topics, such as genetics, evolution, and cellular processes.
- Integrate real-world applications of biology to show students the relevance of the subject in daily life and future careers.
- Act as a mentor for the student biology club, organizing field trips, guest speakers, and research opportunities.

September 2010 - June 2012

Assistant Biology Teacher

Los Angeles Academy /

- Assisted in teaching introductory biology classes and conducting laboratory experiments.
- Supported students during lab activities, offering explanations of procedures and concepts.
- Graded assignments and exams, providing constructive feedback to students.

EDUCATION

Master of Science in Biology

University of California / Graduated: May 2012

Bachelor of Science in Biology

California State University / Graduated: May 2009

California State Teaching Credential (Biology)

California Commission on Teacher Credentialing / Certified: June 2012
