

Noah Patel

PROFESSIONAL SUMMARY

Aspiring computer science major with a passion for AI and software development. Seeking admission to a research-focused STEM program to further explore machine learning and robotics.

EDUCATION

Roosevelt High School

- GPA: 3.95
- SAT: 1490

TECHNICAL PROJECTS

Autonomous Drone System

- Built and programmed a drone using Python and Arduino
- Integrated GPS and obstacle sensors for navigation

Mobile App: "StudyMate"

- Developed an app that matches students with virtual study partners
- 500+ downloads on Google Play

INTERNSHIPS

Summer Intern, Microsoft TEALS Program

- Assisted high school CS teachers in coding instruction
- Helped students troubleshoot Python and Java assignments

EXTRACURRICULARS

- Robotics Club (Co-founder)
- Math Olympiad Finalist
- Hackathon Participant – Won Best Beginner Hack
