### Professional summary

Experienced commercial window cleaner with 10+ years handling large-scale exterior and interior cleaning for retail stores, hospitals, and office buildings. Skilled in lift operation, power washing, and OSHA-compliant safety protocols. Known for speed, spotless results, and customer-first service.

*Comfortable with early morning and night shifts*

### Experience

◆ March 2017 - Now

#### Commercial Window Cleaner

ClearView Exterior Maintenance / San Diego, CA

- Manage exterior cleaning of 20+ multi-level commercial buildings per week using telescopic poles and water-fed purification systems, delivering a polished and uniform finish.
- Operate boom lifts and scissor lifts in accordance with site-specific safety requirements, particularly in retail environments with pedestrian traffic.
- Implement eco-conscious runoff control and chemical handling in compliance with EPA guidelines to minimize environmental impact.
- Coordinate with property managers and maintenance teams to establish consistent cleaning schedules and resolve any access or safety concerns in advance.

◆ May 2015 - February 2017

#### Assistant Window Cleaner

SunBrite Cleaning Services / Chula Vista, CA

- Provided support during commercial cleaning projects, assisting with multi-floor window washing while adhering to established safety practices.
- Helped mix and apply concentrated solutions using manufacturer-recommended ratios to maintain glass clarity without leaving streaks or residues.
- Maintained cleanliness of squeegees, scrubbers, and buckets between sites to ensure professional results and equipment longevity.
- Earned recognition for punctuality, teamwork, and consistently leaving work areas cleaner than when arrived.
