

EMMA CALDWELL

Senior Financial Analyst

Cover Letter

Dear Hiring Manager,

I am writing to express my interest in the Senior Financial Analyst position at Bridgeview Consumer Goods. With over eight years of progressive experience in corporate finance, budgeting, and performance reporting, I bring a blend of analytical expertise and cross-functional collaboration that aligns well with your company's strategic goals.

At McCormick Industries in Chicago, I led the company's annual budgeting process and implemented automated reporting tools that cut reporting time by 25%. I also partnered with business unit leaders to develop forecasts that improved budget adherence by 10% and supported a \$300M revenue portfolio. My ability to translate financial data into actionable insights has consistently influenced smarter business decisions and operational efficiency.

I'm particularly drawn to Bridgeview's commitment to innovation in the consumer goods sector. I thrive in environments where financial strategy drives growth, and I'm confident my experience in scenario modeling, executive-level presentations, and performance tracking would make a meaningful impact on your finance team.

I would welcome the opportunity to further discuss how my background can support Bridgeview's financial objectives. Thank you for your time and consideration.

Sincerely,

Emma Caldwell
